We only see part of what God does for us. Day by day and night by night we only see a little of the evidence of what God created. Psalms 19:2-4 NKJV says, "Day unto day utters speech, and night unto night reveals knowledge. There is no speech nor language where their voice is not heard. Their line has gone out through all the earth, and their words to the end of the world."

How do we view life? I was fortunate to have a mother who taught me from the Torah, considered the things of God, believed there is a God, and told me there is a God. Shaul says in Romans 1:20 NKJV, "For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse." There is no excuse for not believing in God and doing what he tells us to do. After all, if we believe in God, then we will act on what He told us to do in the Bible.

Not all are as fortunate as I was, and many are left with little direction in life. I wanted my children to know the truth and to know the truths about God and the Bible. At least I gave them a chance to know the truth. There is a saying, "You can lead a horse to water, but you can't make them drink." Animals can be stupid at times and so can people. Psalms 14:1 NKJV says, "The fool has said in his heart, 'There is no God.'" People can be foolish, but a person doesn't have to remain a fool.

People have the choice of how they choose to live, but don't we all want truth? It is a tremendous gift to be set in the right direction in life. If someone gave you a beautiful car, you could either leave that car in a garage or choose to use that gift. It would be up to you.

There seems to be disorder in God's creation, yet all that He created works together; all of creation follows natural laws, and everything is in order. Genesis 1:24 NKJV, "Then God said, 'Let the earth bring forth the living creature according to its kind.'" God spoke into existence what He created according to its species. Animals of the same species produce animals according to their kind. There is order in that.

I was surprised to find out that a lot of the same terms apply to different topics in science. There is the electrical flow called current and also the flow of water is called a current. There is no flow of electricity until we decide to use it and we don't get water through our faucets until we turn on the valve and begin using our water. There are many comparisons like these that apply across various forms of scientific studies. It verges on the amazing! How is it possible that everything has been ordered like this?

Romans 1:20-22 NKJV

For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools.

We can either accept the order that God has created or to live like a fool and deny truth. In life, we examine and act on what we learn. God has ordered the universe and there is a specific order or way we were designed to live. God has empowered His order and that extends into the commandments He has given us. Does a bowl tell its maker I am not what you made me to do? Isaiah 45:9 NKJV says, "Shall the clay say to him who forms it, 'What are you making?'"

Some people go so far as to redefine who they are sexually in their own terms. They think they can do that, but every cell in their body defines their sexuality despite their false beliefs.

Shaul goes in to say in Romans 1:25-27 NKJV:

Who exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen. For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. Likewise also the men, leaving the natural use of the woman, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due.

They are living a lie the Bible says. We say that these people are deluded because they can't face up to the truth. We know that gravity causes everything to fall to the ground under its influence. These deluded people in essence say we will not fall to the ground if we jump off a cliff. They are destroying their own bodies. Shaul said that he could see evidence of the destruction on their bodies and this was written over 2,000 years ago. It says in Ecclesiastes 1:9-10 NKJV, "That which has been is what will be, that which is done is what will be done, and there is nothing new under the sun. Is there anything of which it may be said, 'See, this is new?' It has already been in ancient times before us." There is nothing new under the sun. People still want to be fools. All we can do is hope they wise up.

What will we chose in our lives? Will we examine and consider the ways of the true God and the blessings that come with that or will we bring chaos and destruction into our life? People choose the life they lead by their own decisions. Ya'akov (James) was the acting leader of the early

believers as seen in Acts 15 (and not Peter). Ya'akov said we need to be a hearer and doer of what is right.

James 1:12-24 NKJV

Blessed is the man who endures temptation; for when he has been approved, he will receive the crown of life which the Lord has promised to those who love Him. Let no one say when he is tempted, "I am tempted by God"; for God cannot be tempted by evil, nor does He Himself tempt anyone. But each one is tempted when he is drawn away by his own desires and enticed. Then, when desire has conceived, it gives birth to sin; and sin, when it is full-grown, brings forth death. Do not be deceived, my beloved brethren. Every good gift and every perfect gift is from above, and comes down from the Father of lights, with whom there is no variation or shadow of turning. Of His own will He brought us forth by the word of truth, that we might be a kind of firstfruits of His creatures. So then, my beloved brethren, let every man be swift to hear, slow to speak, slow to wrath; for the wrath of man does not produce the righteousness of God. Therefore lay aside all filthiness and overflow of wickedness, and receive with meekness the implanted word, which is able to save your souls. But be doers of the word, and not hearers only, deceiving yourselves. For if anyone is a hearer of the word and not a doer, he is like a man observing his natural face in a mirror; for he observes himself, goes away, and immediately forgets what kind of man he was.

Let's look at this verse in more detail:

We are blessed for doing what is right.
 We will receive from God a crown in the future kingdom.
 God does not tempt us.
 We are drawn to our own desires and entice ourselves.
 Good things come from God.
 God gave us the truth so listen to God.
 People's anger does not produce what is right.
 Stop being wicked and listen to God.
 Listen to what is right and do what is right.
 Don't fool yourself.

James 1:25 from the Hebrew manuscripts reads:

"But anyone who observes himself by the whole Torah, which is the instruction of the Examiner, and stands in Torah, not hearing it [the Torah] in forgetfulness, for if he works the work, his happiness is in his actions."¹

What did it just say:

Keep the whole Torah (1st 5 books of the Bible)
 The Torah is the instruction of our judge, namely God
 Hear the Torah and do it.
 You will be blessed (the Hebrew word can mean either blessed or happy).

¹ Jones, Dr. Miles R., The Epistle of James (Ya'akov) A Translation from the Hebrew, p. 24.

Ya'akov, the real leader of the early believers in the Messiah Yeshua told us to keep the whole Torah. Who has told us the truth? The people who tell us not to keep the feasts of God (Leviticus 23:2) in the Bible and even dare to contradict Yeshua when He said, "Do not think that I came to destroy the Law or the Prophets;" Matthew 5:17 NKJV. We have been passed down a false religion that contradicts the Bible. And, these false teachers of their theological system do their best to keep their false beliefs in tact. They don't want to lose their positions and buildings.

I often share extra information at our meetings on Saturday mornings. I spend a good amount of time on some interesting topics. Remember, we also need encouraging teachings on God's commandments as well. 2 Timothy 4:3 NKJV says, "For the time will come when they will not endure sound doctrine, but according to their own desires, because they have itching ears, they will heap up for themselves teachers." If all you are getting is entertainment, stories, and watered-down doctrine, then you are not getting what you are supposed to get. Find somewhere that teaches God's commandments.

Matthew 2:23 NKJV says about Yeshua, "And he came and dwelt in a city called Nazareth, that it might be fulfilled which was spoken by the prophets, "He shall be called a Nazarene." Some say that that prophecy is nowhere in the Old Testament portion. The typical theological answer is that Yeshua was a **netzer (the branch** of a part of a plant that grows underground to make a new plant) of the tribe of David whose family had to leave Bethlehem for safety (from Herod); Yeshua was a branch from the tribe of David. They say it is referring to the Messianic scripture in Isaiah 11:1 NKJV, "And a **Branch** shall grow out of his roots."

One other possible understanding of this verse that I shared was something a 17th century Rabbi said about the prophecy about the Messiah being called a Nazarene. He says it refers to Jeremiah 31:6 NKJV which says, "For there shall be a day when the **watchmen** will cry on Mount Ephraim."² He goes on to say Matthew is making a Jewish drash with those words; a relevant (but not exact) exposition of Jeremiah 31:6. Hang in there; we are almost at the exciting conclusion.

I found it interesting that the word **watchmen** in Jeremiah 31:6 also **means "Nazarenes (the Hebrew word *notzrim*)**."³ The Hebrew for that verse is: "כִּי יֵשׁ-יּוֹם, קָרְאוּ נֹצְרִים בְּהָרִי אֶפְרַיִם".⁴ Translated it means, For "Yesh" (in that) day (will be) called Nazarenes in the mountain of Ephraim. Why "Yesh?" could this be referring to Yeshua? It is an unusual way of using "*yesh*." I will say, "*Yesh-li mechonit*." I have a car. Could that be what Matthew saw in his scroll!? Perhaps it could be saying that, "Yeshua will be called a Nazarene!" Also, I have heard that in some manuscripts of Jeremiah 31:6, the word *notzrim* is used in the singular (the word *notzri*). **In that case it would say, "Yesh(ua) will be called a Nazarene in the mountain of Ephraim!"** It is possible that is what Matthew saw in the manuscript of Jeremiah! It seems to be a better and less complicated interpretation of this prophecy than theology. Theology is a belief system and not necessarily God's words – theology is just words of men.

³ Natzar is the Hebrew meaning to watch. They would watch their crops to protect them. The town of Nazareth comes from this verb.

Introduction to Our Teaching

God has foresight in caring for us. He does that through the work of the Holy Spirit that can help us in many ways. God gives the Holy Spirit to believers in Messiah and it is an important part of the Messianic life. Since God uses the Holy Spirit to inspire and help us (John 14:15), we can experience amazing things at times in our lives. That's why it says in Ephesians 3:20 NKJV, "Now to Him who is able to do exceedingly abundantly above all that we ask or think, according to the power that works in us." The Holy Spirit is at work in us to help us. It is the power of God at work in the life of the believer in Messiah.

When we watch TV, we are exposed to many ideas; be careful to identify right and good behaviors from those that are not. In modern day culture, we see and hear many different ideas thrown at us through different types of media and the internet. Sometimes the things we look at are filled with wrong ideas and behaviors. Sometimes people are just trying to get us to watch their show or their online presentation by giving their false version of truth or by appealing to our inquisitive nature. While media can be a fun diversion, it is sometimes filled with half truths and false information. It also can contain false attitudes and ideas that are contrary to God's word and commandments. Watch out that you don't get sucked into the vortex of bottomless unfounded ideas and values.

Like it says in Ecclesiastes 1:9 NKJV, "That which has been is what will be, that which is done is what will be done, and there is nothing new under the sun." They must have been talking about YouTube a few thousand years ago; it seems there is endless nonsense for all to indulge in. I know someone who likes to think of weird ideas to share; he is just trying to get people to watch his nonsense. Proverbs 10:32 NKJV says, "The lips of the righteous know what is acceptable, but the mouth of the wicked what is perverse." Some media can introduce wrong behaviors and ideas into our lives. Just be aware of that.

We are to live and do what is right as defined by God. That is the true spiritual life. Later in Ecclesiastes 12:13-14 NKJV it says, "Fear God and keep His commandments, for this is man's all. For God will bring every work into judgment, including every secret thing, whether good or evil." Just in case we have forgotten that there is an all knowing God who wants to help us with life; there exists direction and hope for life from a good and powerful God.

We should study and work God's word so we learn His commandments and use them for life. We need truth in order to live a life of truth and goodness. So study and learn how to live right. We take our finances seriously; why not take spiritual matters seriously too. 2 Timothy 2:15 NKJV says, "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth." God's word is called truth because they are inspired by an all knowing God who wants what is best for us. Desire to be approved to God in life so that you are not ashamed when you stand before God and give an account for how you lived.

There is a saying, "All work and no play makes someone dull." In Jewish thought, living to work means we are a slave to work so that we don't enjoy life. Work is not all there is to life and neither is living to indulge oneself, or to just live for entertainment. Also, I would like to propose

another idea. All nonsense and no truth leads to a life of nonsense. Follow God and make your life worthwhile.

Acharei Mot is sometimes part of a double portion. Acharei Mot means "after the death." The Torah portion for Acharei Mot is Leviticus 16:1 to 18:30. Moshe is to tell Aharon after the death of his two sons that they are not to come just anytime into the holiest place behind the curtain. It then describes what the high priest must do, sacrifice, and wear. The Bible at times is very specific about what we are to do. We should have a deep respect for God and do what He says. The Bible says we are to fear Him, after all, He is the creator of the universe. Philippians 2:12-13 says we are to work out our rescue with fear and trembling (Rescue is a better rendering of the text there in Philippians than salvation; it is the Hebrew word מָלַח *mālaḥ* in the Old Testament portion and always means "rescue.")⁵.

Deuteronomy 6:2 NKJV says **we are to fear** God so we can have a prolonged life, "That you may fear the LORD your God, to keep all His statutes and His commandments which I command you, you and your son and your grandson, all the days of your life, and **that your days may be prolonged**. God's commands are good for us; they can prolong our life. If not in this life, most certainly in eternal life. The reason we talk a lot about keeping God's commandments is because the Bible tells us over and over to keep God's commandments both in the Old and New portions. We need the encouragement.

No one was to be in the tent of meeting while the High Priest makes atonement for himself, his family, and all Israel. He is to lay hands on a goat confess the sins of Israel, and send it into the desert. Then the priest is to go back into the tent of meeting and make a sacrifice for the sins of the people. They are to take the bull and goat ashes and their remains outside the camp and finish burning them up. This is to be done every year on the tenth day of the seventh month (also known as Yom Kippur or the Day of Atonement), and they were also to fast that day and it is to be a day of rest. The people were to only bring their sacrifices to the Cohanim (Priests). They were to no longer sacrifice to demons and those who do this or drink blood will be cut off from the community.

In this portion, it says that the life of creatures is in the blood and the blood sacrifices are to for our atonement. Leviticus 17:11 NKJV says, "For the life of the flesh is in the blood, and I have given it to you upon the altar to make atonement for your souls; for it is the blood that makes atonement for the soul." The Torah says that it is blood that makes atonement and we need atonement for our sin; Yeshua (Jesus) sacrificed His blood as the final atonement for sin. Yeshua the Messiah took away the sacrifices of bulls and goats and gave Himself as the final sacrifice for sin. So, we must believe in the Messiah Yeshua to atone for us. Hebrews 10:4 NKJV says, "For it is not possible that the blood of bulls and goats could take away sins;" then in Hebrews 10:9-10 NKJV, God, "He takes away the first that He may establish the second. By that will we have been sanctified through the offering of the body of Jesus Christ once for all." Yeshua HaMashiach laid down His life for us and we need to accept what the Messiah did for

⁵ "h4422. מָלַח *mālaḥ*; a primitive root; properly, to be smooth, i.e. (by implication) to escape (as if by slipperiness); causatively, to release or rescue; Strong's Enhanced Dictionary. The word salvation in the Old Testament uses the Hebrew word for escape or rescue. In other words, we have been rescued so we could do what is right; see the Hebrew word for saved in Joel 2:32 which quotes the New Testament.

us. We learn in this portion that there are consequences for not doing things God's way. This is how God chose to give us forgiveness.

This portion continues; anyone who eats an animal that has died naturally must wash himself and his clothes. They were not to do what the Egyptians did or what the Canaanites did, but they were to do according to God's laws; a person will have life through God's commandments. Think about it. If they were good for God's people in the Old Testament, why wouldn't they be good for us now. **They were intended to prolong our lives.** People just want to make up excuses so they can do what they want. They won't make it into God's kingdom at the end of time by doing things their own way. God is the judge, and they are His commandments.

No one is to have sexual relations with any of their family or close relatives or a neighbor. No one is to have sexual relations with anyone, except a man and a woman as husband and wife. The laws about sexual sin are spelled out. Homosexuality is wrong and having sex with an animal is wrong. They were not to kill their children by offering them to a pagan god. The people of the land that God is expelling did these despicable things and that is why God is giving Israel the land. If Israel does these things, the land will vomit them out too. They were not to follow any of these abominable customs of the pagans it says. Rabbi Shaul (Paul) gives us a stern warning in 1 Corinthians 6:9-11; the people who don't seek to do what is right and don't follow God's commandments will have no share in the Kingdom of God. Shaul mentions some of the sexual sins that our Torah portion mentions.

In this portion, Moshe gives instructions to Aharon about how He is to conduct himself in the Mishkan (the Tabernacle), and more specifically at the time of Yom Kippur (The Day of Atonement). We should always remember to come before God with respect and awe. Israel was not to do the despicable things that the Egyptians and Canaanites did. It was the reason that God was expelling the Canaanites from the land. We should also remember that not keeping God's laws can incur grievous circumstances. This portion says that the land will "vomit" out Israel if they end up doing these abominable things. Improper sexual practice is talked about in Leviticus 18 of this portion. Lands are destroyed because of wrong sexual practice. It perverts, degrades, and cheapens society. For example, people who practice these things perform sexual favors to get ahead. The people who should be honored for their merit are then passed by. Sexual sin treats people as objects instead of giving people the dignity and respect they deserve and sexual sin can lead to the sexual abuse of others.

The Haftarah for Acharei Mot is Ezekiel 22:1-19. God will destroy the Negev and Jerusalem; The people of Israel have shed blood and made idols; and because of this, God has caused them to be scorned. They were using their power in order to kill others and to oppress others. They were committing perverted sexual acts and not keeping Shabbat. They were taking bribes and committing extortion. It says in this portion that God is going to deal with them and disperse them into other lands. God will pour out His fury on them.

This was a hard lesson for Israel and this should be a lesson for us; since we want to be God's people we should behave like God's people. Sin has a negative impact on us and others. For

example, taking bribes subverts justice; those bribing others may get away with crimes against others. All sin is destructive and is wrong. Even small sins can cause harm.

Be a Blessing
(accompanying teaching for the Torah portion for today)

People need to hear God; reproduce God's glory in our lives; show His good ways.

Let's live a bless life and be a blessing to others. There is so much of our society that has no qualms about what they do. Psalm 95:8-9 NKJV says, "Do not harden your hearts, as in the rebellion, as in the day of trial in the wilderness, when your fathers tested Me; they tried Me, though they saw My work." It's amazing isn't it. Israel saw God's great power in the wilderness, but some of them still went astray. It's still true today. We have the Holy Spirit and have seen God's power, but some people still want to do whatever they want. We need to stand strong and not sin.

Hebrews 3:12-14 NKJV

"Beware, brethren, lest there be in any of you an evil heart of unbelief in departing from the living God; 'but exhort one another daily, while it is called 'Today,' lest any of you be hardened through the deceitfulness of sin. 'For we have become partakers of Christ if we hold the beginning of our confidence **steadfast to the end.**'"

We are told to beware so that we don't sin because our sin can cause pain and destruction and separates us from God. We are to be steadfast to the end. Don't sin, hold on steadfastly. Why not hold fast to doing what is right and good? Why not show others God's good ways instead of the pain and brokenness that comes from sin? Why not live a blessed life and be a blessing to others?

Be stable and faithful in all you do.

Deuteronomy 10:12-13 NKJV, "And now, Israel, what does the LORD your God require of you, but to fear the LORD your God, **to walk in all His ways** and **to love Him**, to serve the LORD your God with all your heart and with all your soul, and **to keep the commandments** of the LORD and His statutes which I command you today **for your good.**" In Leviticus 19:18 NKJV it says, "You shall not take vengeance, nor bear any grudge against the children of your people, but you shall love your neighbor as yourself: I am the LORD." Yeshua was quoting the Old Testament when He said to love God and your neighbor; as He does over and over. If the Old Testament was done away with as some say, they are saying His words are worthless.

Also, it was the practice of Rabbis to give two answers to questions; most informed people understand that this is what Yeshua was doing; He was acting as a Rabbi. Yeshua said the gate is narrow; the religious leaders of His time were following man-made commandments instead of God's commands from the Old Testament (see Matthew 15). Don't believe the religious leaders of our time who are telling us not to keep God's commandments. What does the Bible say over and over?

It is not much different now for people who have the help of the Holy Spirit. We are to still keep God's commandments, but we also have the Holy Spirit to help us. Hebrews 3:14 said we are to be "steadfast to the end!" The Holy Spirit is our helper to accomplish this. John 15:26 NKJV, "But when the Helper comes." John 16:7 NKJV says, "It is to your advantage that I go away; for if I do not go away, the Helper will not come to you; but if I depart, I will send Him to you." Shaul (Paul) said, "Do you not know that you are the temple of God and that the Spirit of God dwells in you? If anyone defiles the temple of God, God will destroy him. For the temple of God is holy, which temple you are;" 1 Corinthians 3:16-17 NKJV. We are to be holy; being holy means we are to separate ourselves from sin. We are not to sin; and, we are to do that with the help of the Holy Spirit.

No matter what issues we face, keep trusting God and be at peace; relax.

If we are on good terms with God, we have nothing to worry about even if there are things to be concerned about. I was stuck on a river in the jungle with melted engine hoses from when the intake took in sand. We were stuck on a sandbar in the middle of nowhere. Someone on our team rigged the hoses so we could get to a jungle town. We just had to wait for the tide to come in. We made it! Whew! Not worrying is easier said than done. I knew we were stuck, and we had a big big problem. We were going nowhere without an engine!

Yeshua told us to get control of ourselves. "Therefore do not worry, saying, 'What shall we eat?' or 'What shall we drink?' or 'What shall we wear?' For after all these things the Gentiles seek. For your heavenly Father knows that you need all these things. But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Therefore do not worry about tomorrow, for tomorrow will worry about its own things. Sufficient for the day is its own trouble." Matthew 6:31-34 NKJV. Everyday can bring good and it can also bring challenges. I had some computer problems this one time and I tackled them one at a time. I didn't need to worry, even if I did a little bit. I got it worked out.

We can be attracted to lots of good things; stand out in the areas God wants to use us.

Better to do that than waste time and energy with our free time. Stand out in the areas of life where God wants to use us. One of our friends is a nurse and she decided to go to New York City to help the sick there during the COVID 19 crisis. What a brave young lady who decided to help out with the disaster there.

We don't have to necessarily take extreme risks like she did, but what a great example she is to us.

1 Peter 4:8-11 NKJV says:

"And above all things have fervent love for one another, for 'love will cover a multitude of sins.' Be hospitable to one another without grumbling. As each one has received a gift, minister it to one another, as good stewards of the manifold grace of God. If anyone speaks, let him speak as the oracles of God. If anyone ministers, let him do it as with the ability which God supplies, that in all things God may be glorified through Jesus Christ, to whom belong the glory and the dominion forever and ever. Amen."

Love, be hospitable, don't grumble, serve each other well, and use what God gave you. Years ago, I had my weekends free to do occasional ministry events. I thought, why not use some of

my time to serve others. I got immensely blessed just serving others and praying for them. **Using our time for God is part of the believer's life** and can bring us blessings when we give. Seeing someone healed is an amazing blessing to the person who gets healed, but it is also a blessing to the person who took the time to serve.

It says in Leviticus that there must be a blood sacrifice for sin. Yeshua (Jesus) came and gave His life as the final sacrifice for sin. He gave up His life; no one took it from Him (see John 10:18). This portion goes over a lot of important commandments. **The Bible talks about keeping God's commandments a lot.** We should be faithful and steadfast to God. If you are not going somewhere where they are frequently encouraging you to keep God's commandments, go somewhere where they are.

We are to "put to death" sin it says in Colossians 3:5 NKJV. These are some strong words. Why not make the effort to do what is right and bring blessing to others instead of sin, and the pain and destruction that can accompany sinful behavior? Be stable in all you do and no matter what, keep trusting in God and be at peace. Worry often just brings extra tension to our situation. There are a lot of good things we can do, but don't forget to include spiritual things as part of how you use your time. You don't have to go to extreme risks, but we are commanded to use some of our abilities for the kingdom of God and to also use our spiritual gifts. Live a blessed life and be a blessing to others.

The Aaronic Blessing

ADONAI or LORD in all caps in our Bibles is the name for God which is pronounced Yě-hō-váh. Yě-hō-váh is used over 6,000 times in the Old Testament portion. Since God's name is used that many times, it is evident that we should be using His real name.

According to Exodus 3:15, Yě-hō-váh is God's true name forever. Of course, we should use His name with respect. Yě-hō-váh is an acronym formed from the Hebrew verb hayah. Yě-hō-váh means, He existed, He exists, and He will exist. I want to honor God's name.

The ancient rabbis say that Yě-hō-váh (יהוה) is God's name. Over 2,363 manuscripts of the Bible point God's name as Yě-hō-váh, once as Yě-hō-věh, never as Yahweh. The church Fathers said God's name is Yě-hō-váh. Yeshua said in Matthew 23:39 NKJV, "You shall see Me no more till you say, 'Blessed is He who comes in the name of the LORD!'" Yeshua is quoting Psalm 118:26; the word "LORD" in that verse in Psalms is Yě-hō-váh (יהוה). Numbers 6:27 says we are to put God's name on His people.

Let's say the Aaronic Blessing from Numbers 6:24-26:

יְבָרֶכֶךָ יְהוָה, וְיִשְׁמְרֶךָ
יְאָר יְהוָה פָּנָיו אֵלֶיךָ, וְיַחֲנֶנָּה
יִשָּׂא יְהוָה פָּנָיו אֵלֶיךָ, וְיִשְׁלַם לְךָ שְׁלוֹם

Yě-hō-váh bless you and keep you.

Yě-hō-váh make His face shine upon you and be gracious to you.

Yě-hō-váh lift up His face upon you, and give to you peace. Amen.
